

CORRECTION TO THE DRAWINGS

The reference numbers 100A and 100B on Figure 3 have been changed to 140A, 140B to correspond to the reference numbers in the specifications at page 9, line 2.

The reference number 300 is added to Figure 1 pointing to the inside diameter 300 of the pipe segments 100. Copies of the drawing pages with Figures 1 and 2 and Figures 3 and 4 are enclosed. One copy of the drawings shows the proposed corrections in yellow hi-light. The other is a copy of the drawings with the corrections not hi-highlighted. The informal drawings, will be prepared in formal form and sent to the PTO file in a short time.
